Due to Covid Restrictions only 25 skaters are allowed on the ice at one time; this includes skaters, instructors, and assistants. In order to provide skating lessons to our customers we have to separate classes as much as possible so the individual classes are only offered on one day a week. There will be no practice time during lessons in order to keep to the State of Connecticut's skating guidelines.

Unfortunately for the Fall Lessons we will not be able to teach beginner skaters. Due to guidelines set forth by the Learn to Skate USA Organization they strongly recommend no beginner skating lessons until restrictions are lifted by each state.

Everyone who enters the rink must wear a face mask; skaters can remove their mask while on the ice during lesson time but can keep their mask on if desired. We ask that everyone sanitizes their hands when entering the Rink, and fill out a covid waiver provided at the front entrance.

All skaters ages 4 to 7 & all beginners must wear a helmet & glove or mittens

CYCLE FEE: \$160.00

SKATE RENTAL: \$3.00/per week

Learn to Skate membership will be postponed until the Winter Cycle and is 18.00 per year – this must be paid if you continue with Lessons for our next cycle.

It is recommended that only one parent be at the Rink during lessons, parents are not allowed on the ice at any time and should be watching from the bleacher or lobby areas only.
