

**CORE Task Force**  
Child Care Committee

# Need help finding **childcare**? Contact **Here-to-Help** today.

In partnership with the Stamford Public Education Foundation, SPS is connecting families to childcare & recreation providers in our community—as well as other educational and social services.

SPS and the City of Stamford are also helping childcare providers with resources like technology support and PPE, so they may continue to serve your children and operate safely.

**For a list of local childcare providers, visit:**
